

ASSEMBLY BILL

No. 2031

Introduced by Assembly Members Evans and De La Torre

February 17, 2010

An act to add Section 10295.2 to the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2031, as introduced, Evans. Public contracts: state acquisition of new vehicles.

Existing law imposes various requirements and prohibitions on state agency contracts for goods. Among these requirements is a requirement that the contractor certify that it has not provided goods under the contract that were produced under specified prohibited labor conditions, and that the contractor has complied with specified provisions of law.

This bill would, notwithstanding existing law, prohibit the Department of General Services from entering into a contract for the acquisition of new vehicles without the approval of both the secretary or director of the agency or department, respectively, that has requested the acquisition of new vehicles, and the Department of Finance.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 10295.2 is added to the Public Contract
- 2 Code, to read:

- 1 10295.2. Notwithstanding any other law, the Department of
2 General Services shall not enter into a contract for the acquisition
3 of new vehicles without the approval of both of the following:
4 (a) The secretary or director of the agency or department,
5 respectively, that has requested the acquisition of new vehicles.
6 (b) The Department of Finance.
